

**Red Line Extension Transit-Supportive Development (TSD) Plan  
Virtual Community Meetings:  
Wednesday, May 5 (2:30 p.m. – 4:00 p.m.)  
Thursday, May 6 (6:00 p.m. – 7:30 p.m.)**

The CTA is hosting two identical virtual meetings to **get your feedback** on the draft vision statements developed with guidance from the community for the areas around the new stations!

The project team will share what we learned from the community at the four station area meetings earlier this year and community members are encouraged to provide their feedback. The meetings will also include a planning exercise to brainstorm different types of potential future development near each station. The same information will be presented at both meetings, so please attend the one that works best for you.
