

'L' System Slow Zone Map

June 30, 2016

Notes

Overall system slow zones in June 2016 were 5.8% for the month, a slight increase from the previous month. Slow zones were added to portions of the Brown and Purple lines due to track conditions, as well as to portions of the southbound tracks of the Forest Park Blue Line as track maintenance work continues. Slow zones were removed from a portion of the Green Line following the completion of work on the Lake Street Bridge by the Chicago Department of Transportation (CDOT).
